2006 – 21st (Midnight Dazzler) Best first timer, Best U25, Best local rider

Personal

Harry is a 'local' rider with a yard based at his parent's home just six miles from Badminton. Harry was born and bred in the Beaufort country. His father Richard won three Olympic gold medals in eventing and is a former winner of Badminton ('70 & '82) and his mother was a Beaufort field master and Harry became a keen follower of hounds and Beaufort Pony Club member. In 2000 he was the Pony Club eventing champion and the following year a member of the British Junior team.

After leaving school he combined horses with university and gained a degree in history of art from nearby Bristol University. Before running his own yard Harry was apprenticed to several riders including William Fox-Pitt from who he took over the ride on Midnight Dazzler with who he made his four-star debut. Midnight Dazzler, homebred by his owners was originally produced by Katie Parker and competed to four-star level by Darrell Scaife.

Midnight Dazzler has completed Badminton on five occasions – four of them with Harry. Last year the combination recorded their best ever Badminton (10th) while Dazzler aged 19 was the oldest horse to complete the event. His success at Badminton means that in 2009 Harry became the youngest rider ever to receive an Armada dish (presented to riders on their fifth completion – Midnight Dazzler '08, '07 & '06, Birthday Night '08 & 07). He has also won the trophy for the 'best local rider' on three occasions. This year Midnight Dazzler will be the oldest horse at the event.
