Personal

Alex was born in South Africa and after school moved to Germany and The Netherlands to work with show jumpers. He came to Britain to continue his job and met his wife grand prix dressage rider Alice (nee Wilson) when having dressage lessons and the couple has a three-year-old son. They run their own training yard in Hinton Wiltshire. Alex took up eventing just six years ago and started riding Tigers Eye in 2007 for owners Jane Holderness Roddam the President of British Eventing and her husband Tim the Chairman of The Horse Trials Support Group. Last year Alex was the first rider to represent the RSA at Burghley and with Tiger's Eye, by the same sire Java Tiger as Little Tiger, was placed 36th at his first four-star event.
