Badminton Record

- 2006 – 43rd (Drop Dead Gorgeous)

Personal

Chloe is based at her parents' yard near Melton Mowbray in Leicestershire. Chloe comes from an equestrian family; her father Joey won the Foxhunter at Aintree and her mother Emma also raced and evented to a high level. Chloe started riding at a young age and her eventing career started with her pony Golden Piper with whom she was reserve for the Pony European Championship. In 2001 she began her partnership with the mare Drop Dead Gorgeous who took her successfully from Pony Club to four-star; they were also crowned Young Rider National Champions along the way. In 2002, she represented her country at the Junior European Championships.

In 2005 Chloe competed at her first four-star event, finishing 21st with a clear cross-country, and the following year completed Badminton, again going clear cross-country.

After finishing her degree at Leeds University, Chloe became a professional rider. After the retirement of Drop Dead Gorgeous in 2007, Chloe has concentrated on sourcing and producing quality young event horses that are now starting to make their mark in the sport. Over the past couple of years, Chloe has also put much of her focus into the family's breeding programme.

Chloe took over the ride on Cast Away in 2009. Cast Away II is a former winner of the World Breeding championships at Le Lions (2008) ridden by Piggy French

Pedigree
