Personal

Louisa has run her own 26-box training and livery yard in Winterbourne Stoke near Salisbury for the last 12 years. Louisa contested Juniors with Fine Art and after leaving school went to work for event rider John-Paul Sheffield for a year before returning to set up her own. After fifth place at Bramham she was short-listed for the 1997 Young Rider team with Fair Impression and the following year (1998) the combination was selected for the YR European Championships. Fair Impression also took Louisa to her first Badminton in 2000 where they finished 12th and received the prize for the 'best under 25'.

Louisa trains with local trainer Maggie Doel and dressage rider Pammy Hutton. In her spare time she enjoys running and tennis and is an aim is to run a London Marathon. In 2008 she climbed Kilimanjaro which she rates as 'one of the best ever experiences'.

The Dutch bred mare Desert Island was bought by Louisa as a five year old from the show jumping circuit
